

Heliport LED Floodlight

for illumination of the TLOF and winching area

SEF LED, order code 8622

Materials : aluminium and stainless steel

IP classification : IP65

Weight : 3,5 Kg

Light source : COB LED (81 lm/w)

Output : 4200 lm

Light colour : 4000 K

Operating voltage / input : 220-240VAC 50/60Hz

Power consumption : 52 W

Lifetime : 35.000 Hrs

Ambient temperature : -20° - +40° Celcius

Compliant to ICAO Annex 14 Vol. II regarding intensity, dimensions (height) and frangibility
